

Can you step in and stop this now? If you will fine stations and corporations for indecency you must do the same for lies. As a mother of three girls in central Ohio I rely on you to make sure that stations are not allowed to broadcast propaganda unchecked. Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election must be dealt with forcefully. I have contacted Sinclair about this issue and received no response. Since the airways are public property, they must not be allowed to use them illegally any longer. I oppose Sinclair's upcoming license renewal.
